

XP2000 Fan-Free Terminal Series

Key Features

- Proven fan-free reliability
- Small, attractive footprint
- 8" and 12" touch screen display
- Bright LED backlight (mercury free)
- Intel Celeron CPU M600 MHz
512 L2 Cache
- 1GB DDR2 memory
- 80GB SATA HDD
- Windows POSReady
- Integrated 2" Auto-cut Thermal Printer [12" only]
- Integrated 2-Track MSR
- Options: Integrated 3-Track MSR, USB Programmable Keyboard, Advance Exchange and OnSite Service

ECR Replacement - Low Cost POS

The XP2000 Series terminal is a low cost All-in-One Electronic Cash Register (ECR) replacement integrating Point of Service (POS) functionality with a 2" thermal printer, magnetic stripe reader and a tilt adjustable 8" or 12" LCD touch screen. The compact form factor is ideal for space limited environments, especially where countertop space is at a premium. The energy efficient fan-free design and brighter LED backlight (mercury free) means you save money and contribute to a Green environment. The terminal includes an Intel Celeron-M 600MHz processor with 512k L2 cache, 1GB DDR2 memory and Windows POSReady.
